## ***Why am I a member?***

- Because I thought all squirrels were black
- I went to summer camp here, I met my husband here, I earned my degree here, I made friendships and memories to last a lifetime here
- I like to be the know-it-all when it comes to updating my fellow alumni on the growth and success happening at Kent State
- I refuse to wear scarlett and grey because I bleed blue and gold
- My daughter knows who Brice Biggin is and aspires to be on the successful KSU gymnastics team
- I am an proud alumna of the nationally-recognized School of Journalism and Mass Communications
- To give back to the university and be an ambassador for the alumni association

I know you are as proud of Kent State as I am, so please join me as a member of the Kent State University Alumni Association at [www.ksualumni.org/1000ways](http://www.ksualumni.org/1000ways).

Thanks for your time!
