2. Follow the instruction of all parking attendants. Park as directed to ensure that all space is used efficiently. SAVING SPACE(S) is NOT ALLOWED.
3. Trailers, cookers and overall vehicle size cannot exceed spaces wider than 9 ft. and longer than 23 ft. Any vehicle or tailgating items that go beyond these parking space dimensions will be prohibited.
4. Golf carts, mopeds, motorcycles and scooters are discouraged inside the interior of Clemson’s parking areas.

FOOTBALL PARKING INFORMATION

Q: What is the reason that I am not in the same parking space that I had during the 2013 season?
A: Parking is reassigned each year using donors’ current level of giving. Priority points are used to rank donors within each giving level and are assigned in that order. If the demand from donors at higher levels exceeds the number of spaces in a specific lot then reassignments occur. For example, if you are a $2100 donor and parked in Lot 5 in 2013 it isn’t likely that you will be in Lot 5 again for the 2014 season due to our increase in donors at the $2800 level.

Q: I order six tickets but only get one parking pass. Why doesn’t IPTAY give another parking pass since you can’t put six people in most cars?
A: We realize that most vehicles can’t accommodate six people but even with our inventory of 15,000 parking spaces we couldn’t be able to provide parking passes to everyone at the $350 level and above if we didn’t have a limit of one pass for six season tickets purchased. Individual passes are not for sale from the IPTAY Center.

Q: My family and/or friends park in another lot. Can I call the IPTAY office and swap my pass for another lot?
A: Due to the tremendous support of IPTAY during the 2014 year and the increase in season ticket sales there are very few spaces remaining for people to move to other lots. While it never hurts to ask; it isn’t likely that we will be able to make any exchanges for the 2014 season.

Q: Can I exchange one of my single game cars passes for a single game RV pass?
A: Unfortunately we don’t have that as an option. RV passes for Jervey Meadows are assigned on a season basis just like all parking spaces available for IPTAY donors and IPTAY doesn’t have any open spaces once assignments are made.

1. Parking lots open at 6:00 a.m. for 12:00 and 1:00 p.m. kickoffs, 8:00 a.m. for 3:30 p.m. kickoffs and 9:00 a.m. for all games starting after 6:00 p.m.
2. Handicap parking is available at the Hendrix Student Center at the corner of Cherry and McMillan Rd. All that is required is a state issued handicap hangtag or license plate. The individual that the pass is assigned to must be present in the vehicle and will be given two wristbands to use the shuttle service to Gate 1. The wristbands are for themselves and one person to assist them to the stadium.
3. On game day parking information and assistance is available at West Gate of Littlejohn Coliseum.

Q: IPTAY Parking Information Center?  Why was my parking pass not assigned to me?
A: IPTAY Parking Information Center is not assigned parking. IPTAY parking passes are not for sale from the IPTAY Center.

Q: I have a season pass and I am a Trustee, President’s Trustee, or PA equipment is allowed. Personal portable restrooms are not allowed. Please make use of all restroom facilities (permanent or otherwise) that are provided by Clemson Athletics.
